About AIWF

Ansar ul ilm foundation (AIWF) is non government, non commercial charity organization laid down in December 2010 with an objective of helping poor living in the vicinity. Usually help is considered one time activity with narrow scope of results. The founder members of AIF decided to go beyond help i.e. to uplift the deprived till their self sustaining . Providing free education of equivalent standards to their children with grooming, based on Islamic ideology was the idea conceived and opted then unanimously by the founder members of AIWF for execution. Alhamdulillah the intention of serving humanity with sincerity paid a lot to procure early success. Now the three founder members are strengthened with several devoted members contributing their valued services with sincerity. And recently AIWF got registered with the Social Welfare Department, City District government Lahore. AIF school was founded six years ago under the umbrella of AIWF to meet our target. AIF School is providing 100% free education with the standard prevailing in medium to high class schools. The grooming of the students is ensured through Islamic ideology, modern techniques and by engaging in extra curriculum activities. Our success is quite obvious today Alhamdulillah. All designators and members are working with an exclusive motif of service with sincerity for raza-e-elahi only, and are not taking and financial advantage or social projection out of this project . We look forward to you as well to join hands in this charity with whatsoever source you have be it financial, physical or moral.

Our Mission, Vison & Core Values

Our Mission is to support the deprived humanity by providing their children equal opportunities of quality education at AIWF through mobilizing affluent class of the society, aiming at social justice.

Our Vison is to contribute national efforts of uplifting literacy rate by establishing schools at community level catering quality education & grooming to the children of deprived families for developing them as useful citizen of Pakistan.

Our Core Values;

- Service with sincerity
- Education with grooming
- Help with dignity

Updates 2017

In 2017, we achieved another milestone when our first batch of grade five students appeared in Punjab Examination Commission (PEC). This phenomenal success was only possible due to cumulative efforts of our teachers, support staff, members, volunteers, well wishers and to donors who are playing a pivotal role since the inception of AIWF. Spreading smiles on the faces of many deprived families is providing mental satisfaction to all privileged who lending their support to this organization. Due to continuous expansion the expenses are on the rise. Anticipating more challenges ahead in 2017, we look forward more generous response from the donors. We request all of you to advocate your friends and families about AIWF. At the same time, we are grateful to all those who are continuously helping us financially, morally, physically or ideologically. May Allah Almighty grant us strength & persistence to meet all the challenges head-on on the way towards developing AIF into secondary school.
